

ST JOHN'S SCHOOL
SIDMOUTH, UNITED KINGDOM

18th September 2018

Dear Parents,

Exchange Programme 2018-19

As a school, we pride ourselves on our offer of international pedigree and our wide offer of opportunities for pupils, and this year there is no let-up in the quality nor quantity of residential trips and exchanges available.

This letter is intended as an overview of all the available trips, the dates they are taking place, and the *approximate* costs involved (please note that these are subject to change, mainly due to the number of pupils participating in each, transport and airfare costs etc).

I will be launching this programme of exchanges formally next week and would appreciate if you could communicate with your child's form tutor if you wish for them to attend any of the exchanges.

Thank you and best wishes,

Andi Davies
Deputy Head
