The International Baccalaureate Organization (IB Organization) is committed to improving and promoting its educational programmes and the teaching and learning that take place in IB World Schools. It runs teacher-training workshops and publishes promotional materials such as the magazine IB World. It also publishes training materials, in printed form, online and on CD-ROM, for schools and for sale, and on its password-protected websites for teachers and coordinators. These training materials are greatly improved if samples of student work are shown. The IB Organization would much appreciate your permission for the future possible use of samples of your child's work or of images of him or her engaged in classwork or school activities, should the school select them for submission.

Please check one box in each section below to give the school the necessary authority. Then sign and date the form. It will be retained by the school and kept with your child's school record.
