Dear Parents,

Violin Workshops

On Wednesday and Thursday last week, I conducted violin workshops with pupils in Years 3 – 6. I felt that all the pupils benefited from the experience and enjoyed themselves greatly.

I am writing to you now to follow up the successes they achieved and find out whether your child would like to take up violin lessons more formally. I am still in the process of organising my timetable and have a few spaces left.

Your child could have a lesson on their own, or share with a friend. If shared, the price would be halved. The school has a number of instruments which may be borrowed in order to start lessons quickly.

I would be most grateful, should you wish your child to learn, if you could complete the attached Music Options form and return it to the school office.

If you have any questions you would like to ask me, please do not hesitate to contact me. My school email address is malcolm.foster@iesmail.com

I look forward, very much, to working with your child.

Yours sincerely,

Malcolm Foster
