

Messi dazzles on the pitch and Destroying Dreams

By Douglas

Was this the **Chelsea mistake**? Or the
unstoppable Messi?

Messi destroyed chelsea's dream of continuing in the
Champions League .The Argentine plaid one of his best
matches helping Barcelona going to the next facet of the

Champions league and taking the chelsea out of the Champions league.

Messi does it again

Messi the "BEST IN BARCA". Boss Antonio Conte (boss of Chelsea) called Messi "EXTRAORDINARY" and former Barca striker Gary Lineker tweeted that Messi was "JOYOUS", which is a "good" way of describing a Messi who seems to perform for the pure "LOVE" of the game and always finds new ways to astonish.

Messi has an impressive control and dribbling, football fans and fans went crazy, and with three goals and that wonderful assistance, it is very easy to conclude that it was the difference between the teams.

Messi reached 100 goals in the competition. Messi is the second player to reach a **CENTURY** of goals in Europe's premier club competition, joining his great rival at Real Madrid, Cristiano Ronaldo currently the strongest competition in messi, in the 100 club.
