### **ST JOHN'S SCHOOL – COMPUTER AND NETWORK ACCEPTABLE USE POLICY**

In order for a student to be allowed access to school computers and the school network, this form needs to be completed and returned to school.

As the parent or guardian of this student, I have read the St John's Computer Acceptable Use Policy. I understand that this access is designed for educational purposes and have discussed with my son/daughter what we, as a family, consider appropriate and inappropriate use of this resource. I recognise it is impossible for St John's School to restrict access to all controversial materials and I will not hold them responsible for materials acquired on the network.
