

**ST JOHN'S INTERNATIONAL SCHOOL
PERMISSION FOR USE OF STUDENT'S IMAGES**

To comply with data protection norms and regulations the School needs permission to photograph or make any recordings of your child.

- Be aware that the School sometimes takes photographs or videos (hereinafter "images") of children either at school or when they are involved in school organized activities to promote the school's services and/or to inform and communicate to parents, the school community and the local community the school's daily and special activities and events.
- The School may use these images of children in prospectuses or in other printed and digital publications including on the School's Website, Facebook page and/or its social media pages such as Twitter, Instagram, WhatsApp, etc.
- From time to time the press media may visit our school and may take "images" previously authorized by the School's authorities.
- No personal information and/or identification of any student other than their first name may be given, whether in conjunction with a published image or not.
- The School's parents are not permitted to take "images" for anything other than their own personal use otherwise they will require the consent of other parents whose children may be captured on "images". The School shall not be held responsible for the improper use of the "images" taken by the School's parents.
- The School shall not be held responsible for the use of images by third parties taken from published images.

After reading this information please complete and return this form to confirm your consent or not. Please keep a note of these for future reference. Please note that consent forms have been sent for each child not each family.

Student's name: _____ Year: _____

Please indicate by circling "Yes" or "No" whether if you give permission or not to the School and its agent to use "images" of your child as stated above.

Yes, I grant permission

No, I do not grant permission

I have read and understood the school's policy on using students' "images". I understand that my decision on whether to give consent will remain valid throughout my child's time at school and one year after they leave, unless I notify school to the contrary in writing. The consent will automatically expire after this time. I promise that if I, or members of my family, take "images" of any school event, these will be kept for family use only.
